APPENDIX TO CHAPTER 2.84: CONFLICT OF INTEREST REGULATIONS
Disclosure Categories

Disclosure Category 1

WHO DISCLOSES: Those employees who advise the Board of Supervisors on issues of governmental decision making, or actively participate in or influence decision making on behalf of a department or division, or have direct discretion over the value, use, boundaries, or purchasing of real property.

WHAT THEY DISCLOSE: FULL DISCLOSURE. Based on analysis of these positions broad disclosure requirements apply. All interests as described within the Form 700 should be fully disclosed. (All schedules of the form 700 apply.)

Disclosure Category 2

WHO DISCLOSES: Those employee positions that have the independent discretionary authority with minimal supervision to make or authorize purchases, or sign contracts on behalf of their departments or divisions that are valued at \$1,000 total during the disclosure period, or are authorized to make a single purchase valued at \$500 or more during the disclosure period.

Note that it is not relevant whether such purchases were, or were not, made during a particular disclosure period; those who have the *authority* to do so should file.

WHAT THEY DISCLOSE: All investments, business positions and income, including gifts, loans and travel payments, from sources that provide leased facilities, goods, equipment, vehicles, machinery or services, including training or consulting services, of the type utilized by the employee's department or area of authority.

LIMITED DISCLOSURE: Use all schedules of the Form 700 except schedule B.

Disclosure Category 3

WHO DISCLOSES: Those employees who participate in the discretionary distribution of funds to the public through a grant program managed by the County.

WHAT THEY DISCLOSE: All investments, business positions and income, including gifts, loans and travel payments, or income from a nonprofit organization, if the source is of the type to receive grants or other monies from or through the grant program that the employee administers.

LIMITED DISCLOSURE: Use all schedules of the Form 700 except schedule B.

Disclosure Category 4

WHO DISCLOSES: Those employees who issue permits, audit or inspect shall file under Disclosure Category 4 if the position meets all of the following criteria:

- (1) The designated employee is not a high level decision or policy maker;
- (2) The designated employee's job functions primarily involve case assignments which are drawn from a large number of persons, business entities or parcels of real property;
- (3) The persons or business entities which are the subject of the designated employee's case assignments are varied in nature and are not selected from a single or limited number of industries, trades or professions;
- (4) The total number of cases assigned to the designated employee during a year constitutes only a small percentage of the total number of persons, business entities or parcels of real property from which the case assignments are drawn.
- (5) The decisions made or participated in by the designated employee generally will affect only the person, business entity or parcel of real property which is the subject of the case assignment and will not create material secondary effects on other persons, business entities or parcels of real property.

WHAT THEY DISCLOSE: All real property, investments, business positions and income, including gifts, loans and travel payments, from sources that are subject to the regulatory, permit or licensing authority of, or have an application for a license or permit pending before, the employees Department limited to those that are a part of that employee's case assignments with the disclosure period to the extent that such disclosure does not conflict with the Peace Officers Procedural Bill of Rights Act.

LIMITED DISCLOSURE: All schedules of the Form 700 are used; however, only the disclosure of the interests described above that were involved in that employee's particular case load for the disclosure period need to be disclosed.
